

TimeWindow	Title	Presenters
-----	----- Tuesday 27.11.12 -----	@@@@@@@@@@
08:00-09:00	Registration	-----
09:00-09:20	Opening Address	Tevita Boseiwaqa
09:20-09:40	Keynote	Russell Howorth
09:40-09:45	Conference Overview	Wolf Forstreuter
09:45-10:15	----- Morning Coffee -----	-----
10:15-10:35	----- Group Photo -----	-----
10:35-10:55	Christchurch Earthquake Response	David Napier
10:55-11:15	Satellite Sentinel Project – Peace Keeping from Space	Peter Kinne
11:15-11:30	Unclear	Farida Raghina
11:30-11:50	Operational Remote Sensing in support to decision-making within a geo-spatial cloud computing solution	Rémi Andreoli
11:50-12:10	New Image Pre-Processing for 8 band bundle WorldView-2 Image Data	Litia Gaunavou
12:10-12:30	Requirements for Beach Profile Recording in Low Lying Islands and Potential of UAVs	Wolf Forstreuter
12:30-13:40	----- Lunch-----	-----
13:40-14:00	Need for Increase of Transmission Bandwidth for next Radar Satellites	Ralf Duering
14:00-14:20	UAV's things you should know	Warren Eade
14:20-14:40	Unclear	Abhineet Jain
14:40-15:00	Chlorophyll in the EEZ : a next parameter for GIS ?	Cecile Dupouy
15:00-15:20	Requirements and Potential for DSM Generation from VHR Image Data	Michael Ann Lane
15:20-15:40	----- Afternoon Coffee -----	-----
15:40-16:00	Sharing spatial information: simplifying the process with ArcGIS	Kenna Kelly
16:00-16:20	Mobile Computing and OGC Standards	Ken Mathers
16:20-16:40	Customisation of QGIS	Naomi Jackson
16:40-17:00	Automated Workflows to Create Information from Images	Ken Mathers
18:00-	----- Cocktail at SOPAC -----	-----
-----	----- Wednesday 28.11.12 -----	@@@@@@@@@@
09:00-09:20	The Role of Open Source in Mapping Natural Resources	Sachindra Singh
09:20-09:40	Utilising Google Maps API to Create Comstom Maps	Nomeneta Saili
09:40-10:00	PostGIS with QGIS Desktop/Server and Cloud.	Edwin Liava'a
10:00-10:20	Beginning Quantum GIS 1.8: usual issues and solutions	Franck Magron

TimeWindow	Title	Presenters
10:20-10:40	GIS Application to E.I.A reports	Grace Simpson
10:40-11:00	Morning Coffee	-----
11:00-11:20	The Pacific Disaster Network	Jutta May
11:20-11:40	Pacific Risk Information System: customising GeoNode	Amrit Raj
11:40-12:00	Disaster Risk Assessment Tools and Applications	Litea Biukoto
12:00-12:20	Tropical Cyclone Hazard Modelling and Mapping: an opensource application	Joy Papao
12:20-12:40	Tuvalu Challenges Climate Change	Loia Tausi
12:40-13:00	Tuvalu & Climate Change	Meelina Ailesi
13:00-14:00	----- Lunch -----	-----
14:20-14:40	Mapping of Flood Damaged Areas in Western Viti Levu with WV-2 8 Band Bundle Image Data	Salote Baleisuva
14:40-15:00	Forest and Mangrove Mapping in Solomon Islands Applying THEOS Image Data	Stanley Lesinenea
15:00-15:20	Land Cover Mapping in Fiji Applying VHR Image Data	Vilisi Tokalauvere
15:20-15:40	Afternoon Coffee	-----
15:40-16:00	Proposed Forest Mapping in Vanuatu	Sharon Boe
16:00-16:20	EU ReCover project: Remote sensing services to support REDD and sustainable forest management in Fiji	Martin Herold
16:20-16:40	40 Years Mangrove Development in Kiribati	Kataebati Bataua
16:40-17:00	Statistically Sound Inventory of Pacific Coconut Palms	Wolf Forstreuter
18:00-	----- Yagona Night SPC Social Club Nabua -----	-----
-----	----- Thursday 29.11.12 -----	@@@@@@@@@@
09:00-09:20	Urban Profiling	Una Logavatu
09:20-09:40	Prediction of Land Slides in Guadalcanal, Solomon Islands	Salaseini Tarabe Cur
09:40-10:00	First Forest Stratification with WorldView-2 Image Data in Fiji	Romuluse Rajale
10:00-10:20	Mapping Land Slides in Fiji Pine Areas with WorldView 2 Image Data	Isireli Buwawa
10:20-10:40	Mapping Fiji Forest with LiDAR Data	Fabian Enssle
10:40-11:00	----- Morning Coffee -----	-----
11:00-11:15	Potential of UAVs in Pacific Island Countries	Wolf Forstreuter
11:15-11:30	Vegetation Mapping in Pacific Island Countries	Wolf Forstreuter
11:30-11:45	Disaster Application of GIS and RS	Litea Biukoto
11:45-12:00	Utility GIS Application	Edwin Liava'a
12:00-12:15	Open Source GIS, RS and Database Software and GIS Web Applications	Sachindra Singh

TimeWindow	Title	Presenters
12:15-12:30	Need and possibilities of DTM establishment	Conway Pene
13:30-12:45	LiDAR Applications in the Pacific	Joy Papau
12:45-13:00	Buffer	
13:00-14:00	----- Lunch -----	-----
14:30-14:50	Building a comprehensive land Information System In Vanuati	Williams P. Ganileo
14:50-15:10	New challenges and opportunities for topographic mapping in Fiji	Conway Pene
15:10-15:30	GIS, RS Application in Royal Jordanian Geographic Centre	Nivin Hasan
15:30-15:50	Nadi Integrated Flood Management	Susan Vocea
15:50-16:00	Afternoon Coffee	-----
16:00-16:20	Integrated hydro-topographical model for Viti Levu	Conway Pene
16:20-16:40	Forest Change Detection in Eua, Tonga	Sitiveni Hamani
16:40-17:00	Impact of Climate Change for Food Security	Vasiti Soko
20:00-??	----- Guidance through Suva's Bars -----	-----
-----	----- Friday 30.11.12 -----	@@@@@@@@@@
09:00-09:20	Integrated Solution for Utilities using GIS/RS	Edwin Liava'a
09:20-09:40	Water Resource Mapping on Tokelau	Mereoni ?
09:40-10:00	POPGIS Desktop Tool	? ?
10:00-10:20	Implications of Climate Change on Atoll Islands in Pohnpei, Federated States of Micronesia	Peterson Anson
10:20-10:40	GIS Capacity Building and STEM Education: Building Resilience to Climate Change in the Marshall Islands	Douglas Henry
10:40-11:00	----- Morning Coffee -----	-----
11:00-11:20		
11:20-11:40		
11:40-12:00		
12:00-12:20		
12:20-12:40		
18:00-	----- Beer at the Royal Suva Tacht Club -----	-----
-----	----- Saturday 01.12.12 -----	@@@@@@@@@@
12:00-	----- Picnic at Sandbank in the Suva Reef -----	-----
